

To: Club Member, Rotary Club of Space Center

Wow! Today is the day. Our club is Half a Hundred!

How cool is it to be a part of this historic moment in our club's rich history. I will tell you for sure, that I'm the luckiest guy to happen to be the President during this year. I thank each of you for all your time and efforts over the years to get us to this point. And to the new members, get involved and be a significant part of the Next Fifty.

**HAPPY BIRTHDAY ROTARY CLUB OF
SPACE CENTER!**
