Diane Vest has been in the travel profession for over 20 years, and has continued her education by pursuing and receiving many accreditations. The most recent and the one she is most proud of is the "Accredited Space Agent" appointment with Richard Branson's Virgin Galactic. In addition to her professional life, she is also very active in local charitable and professional organizations, such as the Assistance League, American Business and Professional Women, as well as serving on the University of Houston Clear Lake's Alumni Association Executive Council.

Thank you all for your prayers and for following up with us regarding Isabella. She is a GREAT baby, sleeps all day and only fusses when she is hungry. She was born on 11/21/07 at 12:14 p.m. her weight was 7.14 oz and she was 20 inches long (she is now 8.3 oz!!!). Everything turned out great and we are both healthy and recovering well, praise God.
