On July 20, 1969, honorary Rotarians, Neil Armstrong (Wapakoneta, Ohio) & Buzz Aldrin (Space Center, Houston, Texas) became the first humans to walk on the moon. Should we infer that there were nonhumans who walked before them?

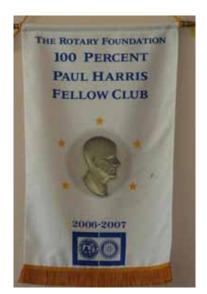

Mike Dennard has suggested that testimonials from SCRC awardees, e.g., law enforcement, teachers, students, etc. be published for all to read. I concur & will gladly do so upon receipt from those who have them. Your assistance is solicited. *Correction:* Rotary at a Glance

The meeting on June 23<sup>rd</sup> was Club Assembly. Led by Pres. Dick, the officers & directors summarized the many achievements of Rotary Year 2007 – 2008. L to R (each row in turn): Earl Maudlin & Micki Czarnik; Mike Brown & Lamar Boze; Johnny White & his State Farm mobile billboard; a poster about the Space Center Rotary Club Water Project; Pres. Dick presents a check in the amount of \$3,000 to Chuck Jacobson for the Bay Area YMCA Partners in Youth; Pres. Dick presented a token of appreciation to PE Mike; Sec. Gary; Sgt @ Arms Jon; Treasurer Marilyn; Directors Mark, David, Bill, Jerrold, Steve Owens standing in for Mike Cornett, Dick & Art. Members look on. Tony Bloomfield & son, Hunter. All photos by Bob Mitchell.

Editor's Note — For several months now, since the recreation of the SCRC website by Jon McKinnie using the Club Runner software, I have been considering and discussing with Jon, publishing the news to the website instead of the weekly creation and email distribution of *The Blastoff*. Arguments in favor of such a change would include greater access and use of the website by members, more instantaneous news distribution and less time required of the editor. All are very tempting, but I feel that consideration should be given as well to the long tradition of our newsletter and the several dedicated editors who assured the members of regular publication. Further, without bragging, I believe the newsletter is once again newsworthy and deserving of continuation. Your comments are solicited to assist in the decision to either publish the news solely on the website or to continue publishing *The Blastoff*. If the decision is to continue the traditional method, Jon will, from time to time, choose items from the issues to publish to the website. When you receive this issue via email, please take a moment to reply with your comments and feelings about this matter. Your input is important — after all, this is *your* newsletter. I am merely the editor in charge (for now).

Congratulations to Dr. Peter Wuenschel on being named Texas Executive Director of the Year. Well done, Peter.  Celebrate our Declaration of Independence July 4, 1776 in Philadelphia, PA, and be thankful for the freedom for which so many pledged their lives & their fortunes, those who won it and those who continue to defend it.

The USS Ronald Reagan. Nuclear powered, can operate more than 20 years without refueling. 80 combat aircraft on a flightdeck of 4.5 acres. 1,092 feet long, as long as the Empire State Building is tall. Home to 6,000 Navy personnel. Carries enough food and supplies to operate for 90 days. **Aren't you glad this one is ours!**

It is truly great to be an American & a Rotarian!! Our thanks to the French for helping us win our independence & for the statute which has greeted so many to our shores. God bless our founders, those who have sacrificed so much for so many, continue to protect this great nation & may we be a grateful nation of peace seeking and humanity protecting, honorable people — a beacon to all who wish to share what we have.
