PROGRAM NOTES

MEETING OF NOVEMBER 3: The meeting program was presented by Caroline Zafereo from Memorial Southeast Hospital. She is the director of the 55 Plus Program of health care for persons older than 55. This program is designed to assist in wellness and information for people in this age group. This program has 1300 persons enrolled. It caters to the needs and desires of persons in the over 55 age group. It is an open ended program with a loose structure that allows broad programs to be developed at the members' suggestion. Rotarian Don Kirk introduced the program. (Editor Tom Wier apologizes to the speaker and to you for not being here to take a picture, but he was doing a makeup at the Rotary Club in Jacksonville, Florida at that very moment.) SPEAKERS (Cont'd. from page 1)

MEETING OF NOVEMBER 10: Rotarian David King introduced the program for this week. His guest was Dr. Mike Mize of Mize Consulting Associates. Mize is a professional counselor who spoke on the transitional phases of men's lives. He outlined four distinct phases of men's adult lives and focused on the transition to the middle years (i.e., beyond 40). He spoke of the psychological and emotional changes that are taking place during this transition. The transition period normally takes about 5 years and is filled with inner turmoil. The transitional period between 40-45 is commonly known as the mid-life crisis. He pointed out that men in the middle adult years are characterized by their greatest period of contributing to their community, their thinking processes are the most capable and their ability to express themselves is at its best. Biologically, men are at their peak, with the exception that their recovery period from the expenditure of energy is longer. These characteristics seem to explain to some degree the participation in civic clubs such as Rotary. It also made me think maybe there are a few good years left.

BELOW, Mize stresses his thesis.

ROTARY WIVES

On Tuesday, November 11, the Space Center Rotary Wives formed a caravan and drove to Lake Jackson to enjoy lunch with the Brazos Area Inner Wheel Club at the Riverside Country Club there. There were about 20 ladies from the Space Center group that made the enjoyable trip. Three won door prizes. The program was about historical flags over Texas. After the meeting, they went by the lovely home of Brazos club president Mildred Baker. Some then toured the new science and art complex, which they found to be very impressive.

GOLF ●●● ○

The November Golf Fellowship will be held Wednesday, 11/19 at 12:30 PM at the Clear Lake Golf Club. Don Robison serves as host. Expect medal play, two flights: Handicap and Callaway. Sure shot payoffs include Longest drive (2 holes) and closest to pin (2 holes). By the time you read this, it may be too late to enter, but SEE DON ROBISON.

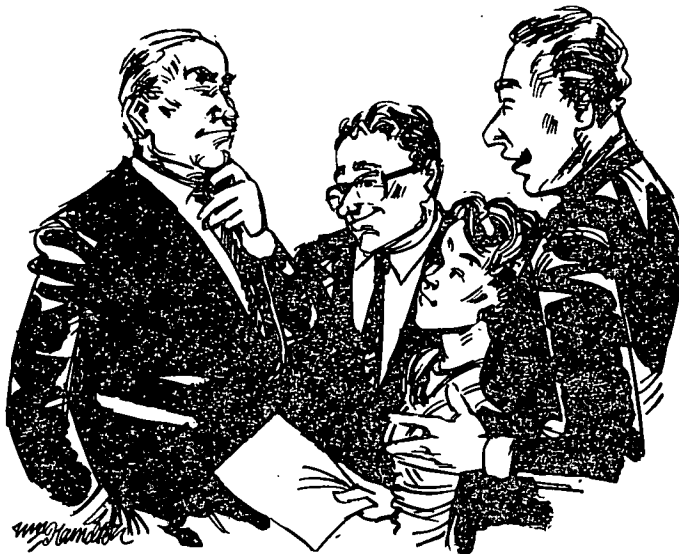

At Left, Golf Committee members were planning future events last Monday after the regular meeting.

A VISIT FROM THE TEAM

November 10 was also the occasion for a visit to our club by the Group Study Exchange Team that PDG Jim Carrell and his wife are going to lead to India this winter. They will be traveling principally in the Bombay area, where the young Indian professional ladies who visited our club came from. All of the District 589 group are women in professional careers. In this photograph taken at the meeting, Jim is at left with his wife Peggy in the front row next to him. The other front row member is Victoria Davis. Across the rear we have Rebecca Hoffman, Kathryn Sanders, Myra Gochmour (our club's nominee) and Peggy McGee. BON VOYAGE, ALL !

'The company's grateful "salute to you" dinner is in place, and we're getting the spontaneous outpouring of affection on stream'

NEW MEMBERS

Dr. Charles R. Millikan was inducted into membership under the sponsorship of Al Brady on November 3. Charles is Pastor of Seabrook United Methodist Church located at 1106 Bayport Blvd in Seabrook, the post office address is P. O. Box 236, and you can reach him at the church by phoning 474-2851. Charles and his wife Laura live at 2017 Willow Wisp, Seabrook 77586, phone 474-3542. Charles boosts our "education average": He attended Southwestern University (TX), Southern Methodist Univ., and Drew Univ., obtaining BA, M.Th., and D.Min. degrees. What's more he's a native Houstonian.

On November 10, we acquired as a new member Dr. Gerald J. De Sobe, Executive Director of the Samaritan Counseling Center of the Bay Area located at 18131 Nassau Bay Dr. Suite B, phone 335-1344. We continue to do well in the education department: Jerry attended Drake Univ., Yale Univ., and Northwestern Univ., acquiring BA, M.Div., and Ph. D. degrees. Charles Post was the sponsor. Jerry and his wife Sandra and 7-year old son live at 807 Lochwell, Houston 77062, home phone 480-5147. His classification is "Pastoral Counseling". And he is a native of Chicago, no less.

NEW MEMBERS

On November 10 Don Kirk sponsored (but Bob Wren introduced) as one of three new members that day Dr. Ray Aro. (Pronounce it like that thing the Indians use. No, Carlos, not a BOW !). His classification is "Out Placement Consultant". Ray is Manager of the Clear Lake Office of King Chapman and Broussard, 2525 Bay Area Blvd. #690, Houston 77058, phone 486-7550. Ray attended Wayne State University, receiving a Doctorate of Education. This native of South Range MI now lives at 18617 Egret Bay Blvd., #1010, Houston 77058 with his wife Mary. They have five grown children. Home phone for Ray and Mary is 333-4754.

The same day, Eddie Tarin sponsored Michael Black as a new member in the classification "Additional Active- Real Estate Consultant". Michael is a Real Estate Appraiser/Reviewer with E. D. Tarin & Co., located at 18333 Egret Bay Blvd, Houston 77058, phone 333-1782. He claims Watertown NY as his birthplace. He also attended the University of Houston. He lives with his wife Kathy and 5-year old Mica at 2239 Woodwind, League City 77573, phone 332-4367. I understand the Classifications of "Alligator Wrestler" and "Bare Knuckle Fighter", referred to in Eddie's introduction of Michael, are still open in the event a classification change is needed.

THE RI SCHOLARSHIP STORY

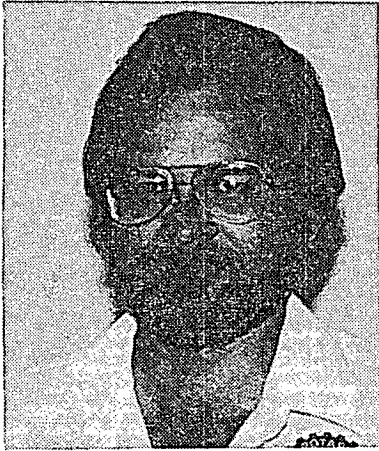

Governor Walt Lackey, in his monthly newsletter, reviewed the 54 RI Scholarships that District 589 has awarded since 1951. Each is valued at about \$20,000, depending on the country and school chosen. He listed these figures:

Club	No. Awarded
Space Center	15
Houston	10
El Campo	3
Pasadena	3
River Oaks	3
Bellaire	2
Brenham	2
Memorial-Spring Branch	2
University	2
Alvin	1
Baytown	1
Brazosport	1
Columbus	1
FM 1960	1
Gulfway	1
Heights	1
Humble	1
Richmond	1
Sharpstown	1
Weimar	1
Willowbrook	1

Gov. Lackey is concerned that less than half of the district's clubs have taken advantage of this opportunity to provide hope in the form of higher education to students in their area. As a result he has asked our own Frank Morgan to be Chairman of the District Educational Award Committee and to arrange to give "how to" help on the application process for those clubs who would like to make applications.
