

WELCOME!

These "Making a Difference" comments were written in recent times by member Tom Wier, long-time editor of the Space Center Rotary Club bulletin, the Blastoff. They have been assembled and are provided to you with the hope of giving you some insight into this particular Rotaru Club. May you and we make a difference for each other.

As part of the REDBADGE learning process we suggest you read these articles about our Space Center Rotary Club. On completion please return the folder to me. Thanks &

=====

welcome to the club..
