

MINUTES OF THE ROTARY BOARD MEETING

The Rotary Board met at the Kings Inn at 12:00 noon with the following members present: Don Ahlborn, Dick Alien, Ivan Brown, Ed Nettles and J. A. Newborn.

Don Ahlborn requested permission to invite a group of people to our meeting on April 26 at which time the Board of Trustees for the Freeman Library is to be announced. The Board voted to invite fifty people as guests of the Club.

Ivan Brown brought up the question of sponsoring a Boy Scout Troop in Seabrook. After some discussion the matter was referred to Don Ahlborn's Committee to investigate the possibilities of our sponsoring a troop in Nassau Bay. He is to report back to the Board on what the cost of sponsoring would be and what troop will need a sponsor.

Dick Alien brought up the question of whether we would work with the Junior Achievement Group and it was decided his committee would handle the matter and bring it to the Board with a little more definite information.

Ivan Brown urged attendance at the District meeting in Bay City on April 23 and 24 but none of those present would be able to go because of conflicts.

Ivan Brown brought up the names of the new members and asked the Board's assistance in assigning them to the different committees.

Three new members, Roy lies, Jack Byrd and Lawrence Kellersberger are to be inducted on the 19th.

There being no further business the meeting adjourned.
