

MINUTES OF THE CLUB ASSEMBLY OF THE ROTARY CLUB OF SPACE CENTER

The Club Assembly met at the Kings Inn on February 16, 1965 at 6:30 P. M. Those in attendance were: Governor Ed Bracher, President Ivan E. Brown, Larry Sarahan, Waymon Armstrong, Ellis Barriese, Dick Alien, Paul Mayer, Don Kirk, Martin Gracey, Paul Swackhamer, Bob Runger, Buck Weston, Dr. Landsman, and William Parker.

The Classification and Membership Committee under the direction of Ed Nettles was reported by Ivan Brown. Out of the 35 charter members 30 were still in the Club with 11 new additions, making a total of 41. There were three names before the committee at this time for membership.

The Vocational Guidance Committee reported through Director Dick Alien. The Committee is active in vocational guidance with teenagers and are making plans to work with the Junior Achievement Movement now being organized in the community. This will be discussed with our Board at the next meeting. It was suggested that decals be obtained for each Rotarian to use on his automobile.

Community Service was reported by Martin Gracey in the absence of Director Donald Ahlborn. The assistance given the library was emphasized and the sending of Mrs. Ulrich to the meeting in Austin. The efforts to help with the baseball association for teenagers was outlined and the efforts to work with the highway department in beautifying NASA Boulevard.

International Service was reported on by Director Paul Swackhamer. The Committee is very active in the Rotary Foundation, having obtained subscriptions from all but two members of the Club and they would be contacted to make it 100 per cent. Governor Ed Bracher reminded the Committee that those two additional subscriptions would make the entire district 100 per cent in the Foundation. The Committee is also active in finding ways of working with foreign students and have plans to bring before the Club films of foreign countries, and are working with local represenfeb'.ves of foreign countries.

Director William Parker and Program Chairman Bob Runger and Bulletin Chairman Waymon Armstrong gave a report on their work for the Club, outlining the programs agead for the next four meetings. The members present expressed appreciation for the excellent programs being provided our Club.

Ivan Brown sumarized the work of the Club and outlined ways to correct some of our deficiencies in the reception of new members and the registeration of guests at our weekly meetings. He suggested the use of our bulletin board for inter-club correspondence and better cooperation with Waymon Armstrong in developing our weekly bulletin.

The request for information by the different committee chairmen was promised fulfillment by both Governor Ed Bracher and Ivan Brown.

Governor Bracher congratulated the club on the progress made to date and gave us a report on the recent visit with President Charlie Pettingill in Shreveport. He urged we get as good attendance as possible in the fourth coming district meeting in Bay City.

Ivan E. Brown, President
