

Mmm-Mmm GOOD-Rotarians will be dishing it up again this Saturday from 3 to 8 p.m. at the 3rd Annual Shrimporee at the Galveston County Park. Left to right

are Dr. Larry Chapman, Lionel Garcia, Rotary president, Dean Woodruff, Vince Liposki and Cayce Moora.

## *Shrimporee scheduled for Saturday, in park*

Saturday afternoon, some lucky person in Clear Lake will drive home in a new car. Chances are pretty good that they will pay for this fine machine only about half what it is worth. Many others will take home real bargains, and have the satisfaction of knowing that what they paid will go to worthy causes in the Clear Lake area.

The big event is the Annual Shimporee and Benefit Auction, which is to be put on by the Rotary Club of Space Center, neath the shade of the oaks in League City Park just a few miles from the Johnson Space Center.

Ticket sales were going briskly throughout the week as local families made preparations to attend the event, which in past years has drawn thousands. Tickets are available at area banks and many other commercial business establishments. They may also be purchased at the gate.

The Rotary-sponsored fun-fest is recognised as one of the major al fresca dining events of the year along the Upper Texas Gulf Coast.

Fresh seafood by the ton will be hauled in aboard refrigerated trucks Friday evening and premium beer and soft drinks will be iced down in preparation for the gala affair. Local businessmen who are Rotarians will manage the booths and cook the food.

Hundreds of valuable items will go on the auction block during the afternoon, including bicycles, sporting goods, tools and automobile accessories, art treasures and many surprises. The biggest item will be a Saab automobile, donated by Norman Frede Chevrolet of Clear Lake City.

The principal beneficiary of this year's proceeds will be the Ed White Memorial Youth Center which is located in Seabrook. Many other needy groups will recieve assistance from the Rotairans if ticket sales are as expected.

Rotary Club President is Lionel Garcia. The group meets at noon each Monday at the Holiday-Inn NASA.
