ROY LONG
Governor District 589
1988-89

September 24, 1988

Mr. Billy Neenan, President
Rotary Club of Space Center
P.O. Box 58788
Houston, Tx 77058

Dear President Billy:

I thank you for the shrimp and
tickets and for all of the
courtesies you and the club
extended. The food was
very good and I certainly enjoyed it.
Margie would have enjoyed it
too, fried fish is one of her favorites.
Sorry I had to leave before you
returned - Margie will not
eat the food served by the hospital
so I had to leave to get her
something to eat. She has a
very poor appetite and finding
something she'll eat is not easy.
Thanks again for everything - Hope
you all did well on your fund raiser.
Leaving for the Zone Institute Tuesday,
be back Sunday Oct-27th -
Best regards
Roy
