WHAT IS THREE WISHES FOR CHRISTMAS?

Three Wishes For Christmas is a program which fulfills Christmas wishes for children in the protective service of Harris and Brazoria Counties. These wishes are for youngsters up to 18 years of age, who are in special homes and institutions.

These children are not in Childrens Protective Services' care for things that they have done but for abuse or neglect, done to them by parents and others.

This year I was able to purchase twelve (12) bicycles, in the name of Space Center Rotary Club, for this program. Just imagine the happiness of these children when they awoke on Christmas morning to find their name on one of these bicycles.

Next year I pray that we will be able to purchase and furnish this program with twenty-four (24) bicycles.

I WANT TO THANK THE FOLLOWING FOR THEIR GENEROUS CONTRIBUTION:

| David Baldwin for Savings of America | |
| Pat Russell for Space Center Rotary Jr. Interact | |
| Mike Hesse | Tom Wier |
| Ray Pawlikowski | Ron Blilie |
| Bob Driver | Susan Howe |
| Billy Ray Smith | Jack Lister |

You all have made this a very special Christmas for 12 children.

Please help me get twenty-four bicycles next year. - VIC MARIA
