1993 SHRIMPOREE

Dear Fellow Rotarian:

I just wanted to remind you that if you haven't solicited any items for the Shrimporee Auction, IT IS NOW TIME TO GET STARTED!

PLEASE NOTE THAT in lieu of sending a list of strangers for you to call, we are asking you to approach a minimum of five people of your choice! This will be a good time for some of your associates to "return the favor" for all the contributions you have made to their charities! Don't wait for another letter. Just pull out the old Rolodex and spend thirty minutes making some phone calls.

If you wish to try some "door knocking" or call an specific types of business, the Auction Committee wants you for the A-Team! Please call one of the following:

Restaurants & Hotels	Vann Jones	483-6027
Retail	Tom Kropp	333-2555
Major Corporations	David Murhpy	945-6331
Professional Services	Eddie Janek, Jr	280-3906
All other	Gene Oley	280-0444

Now I know a lot of you like deadlines, so let me give you one. September 1, 1993 will be the cutoff date for any contributors and their items to be listed in a publication that will be distributed by Gene Oley's Auction Committee. Please don't wait to long and have your contributor ask why he was not the 1993 Shrimporee Booklet.

If you don't think you have the time, please remember that there are several members of this club that will end up spending an equivalent of two week's vacation time to make this year's Shrimporee a success. Please take a lunch hour off and make some calls yourself!

Finally, you should have your meal tickets by now. If not, contact David Baldwin. We are asking that NO TICKETS BE TURNED IN. Please sell them, buy them yourself and give them away, or buy them and donate them back to the club for distribution to deserving persons.

The Shrimporee can't be a success without you doing two things. First, get the tickets into the public's hands so they will show up. Second help us secure quality auction items that the public will be interested on bidding.

GEAR UP FOR ROTARY!

SHRIMPOREE

AGENDA

January 8, 1993

1. HAS SHRIMPOREE BEEN SUCCESSFUL?

Should we be making more for our efforts?

2. DO WE NEED A CHANGE?

Something must be done to improve our fund raising position. For the past few years we have been raising about \$35,000 per year. - slightly less each year.

3. HOW DRASTIC A CHANGE DO WE WANT?

Each year, especially in the fall, there are many fund raisers featuring shrimp, crawfish, gumbo, chili, Bar B QUE, etc. They are overdone.

We can go from a slight change like changing the garnish on our present menu - to changing our menu completely.
i.e. "THE SHRIMP GOES TEX-MEX"

4. OUR FUND RAISER NEEDS ORGANIZATION AND DEDICATION.

(see organizational chart)

5. WHAT OTHER FUND RAISING GIMMICKS CAN WE USE?

6. OUR GETTING AUCTION ITEMS, SPONSORS AND DONORS MUST BE REVIEWED.

7. PUBLICITY & DONOR RECOGNITION MUST BE EMPHASIZED.
