**What is Rotary?**

Rotary is an international organization of more than one million service-minded business and professional leaders. Over 25,000 Rotary clubs in 173 nations and geographical areas comprise Rotary International, which is headquartered in Evanston, Illinois, U.S.A., a suburb just north of Chicago. The world's oldest and most international service organization, Rotary was founded in 1905 by Paul Harris, a Chicago attorney who wanted to encourage among his business acquaintances the fellowship he had known in his boyhood days in a small town in Vermont.

Service and fellowship are the hallmarks of Rotary and Rotarians worldwide. The Rotary motto, "Service Above Self" guides the actions of individual clubs as they plan projects to feed the hungry, fight disease, assist the handicapped and the elderly, work with young people, combat illiteracy, fund scholarships, and provide relief to disaster victims. Through this shared commitment, Rotarians develop a feeling of fellowship that extends beyond their clubs, communities, and countries to encompass the Rotary world.

**Who Are Rotarians?**

They are a very select group of men and women who believe in serving their community. These individuals are business leaders, doctors, lawyers, engineers, and administrators. Their goal is to put service above self and make the community we live in a better place to reside. Rotarians make both a time and financial commitment to this goal.

*"Winston Churchill said it best... 'Rotary is a perfect vehicle for doing good'"*

*-Steve Harris-Governor District 5890*

## The Rotary 4-Way Test Of Things We Think, Say, or Do

It is the guide to right thinking. If constantly applied to relations with others it will make a definite impact toward more effective and friendlier relationships

- 1. Is it the Truth?**
- 2. Is it Fair to all concerned?**
- 3. Will it build Goodwill and better friendship?**
- 4. Will it be Beneficial to all concerned?**
