

Club Service A

Fellowship

Our Club Fellowship was an outstanding success. We had two major events. The popular Holiday Season Wurstfest in New Braunfels was enjoyed by all participants. This event is always a fast sell out! The second major event was the very popular Christmas Holiday Dinner at the exclusive Lakewood Yacht Club. Another sell out! This great fellowship event was in association with Seabrook and Harrisburg Rotary Clubs. The Summer event is presently being planned and we are all looking forward to our end of the year party.

Public Relations

This year's Public Relations campaign was a major success with Space Center Rotary receiving over \$25,000 in publicity and promotion. The reason for this great success is due to new members Rick Clapp of Bay Runner Publication, The Bay Area's Favorite Publication and Mary Ann Cherry of the Citizen/Exchange News. Major articles appeared covering RNASA, Christmas Toys for Tots, Food Fest, Pancake Breakfast, Commissioner Fonteno's recognition, Councilman Roach received a Paul Harris Fellowship, Wings Over Houston, Floyd Boze 50 years perfect attendance, Garage Sale, and 50 Years of Excellence of the CCISD. Publicity also appeared in the Chronicle, Enterprise and The Sun, Pearland Friendswood Journal, The Enterprise and many more. A first this year was the Space Center Rotary Brochure, which is a great sales piece used to educate and recruit new top quality members. This year's goal was to create a very high profile and show our commitment to our Clear Lake Community. Goal Accomplished!

Magazine

Chairman: Floyd Boze

The Magazine committee has done an outstanding job of emphasizing the interesting, informative reading to be enjoyed in the Rotary Magazine. Floyd Boze has highlighted articles at various club meetings, to bring them to our members' attention, and has also recommended donating them to local offices for public reading after we have finished reading them. Donating the magazine helps Public Relations in its efforts to spread news about Rotary projects and membership.

Golf

Chairmen: Bill Predmore & Dennis Dillon

The Golf Committee has conducted four golf outings this year (in June, August, September, and November), with none in 1998 primarily due to poor weather. The annual Rotary Club Golf Championship was held in November. Discussion has begun with other Rotary clubs regarding joint golf outings. The next outing is scheduled for March 18 in La Porte.
