Dear Kyle:

It was a real treat for me to be able to work with you in regards to the visit of our Japanese friends. Their visit to NASA and that area were enhanced by the efforts you made on their behalf.

It would not have happened without you! Thanks a bunch and on behalf of the visitors and the committee you are to be commended for your enthusiasm and participation.

Hope we can do it again sometime.

I owe you one!

It's great Rotarians like you that make me proud to be one of ya!

Dear Donnie,

On behalf of the South Bay Area American Red Cross I thank you and Rotary Club for the generous Shrimporee donation of \$1500.00, and the donation from the Health and Fitness Committee to purchase 5 manikins. We appreciate your support of the Red Cross as an important asset in this community.

As you know, in times of floods, hurricanes or man-made disasters, the Red Cross brings emergency relief to the local area. When Help Can't Wait, Red Cross workers are on the scene to assist with emergency needs.

And when there is no emergency? The Red Cross spends thousands of hours and dollars training volunteers to prepare for disaster, and in teaching Health and Safety classes.

We are grateful to Space Center Rotary Club for helping us to maintain the many ways we help area families!

Sincerely,

Shirley Lindquist

Dear Ms. Johnson,

I want to thank you for helping to sponsor the Rotary luncheon last week. All of the principals in the Clear Creek Independent School District appreciate your support of education in the area.

The two pages dedicated to public education with the full color photograph of our district principals was wonderful. I displayed it for the Bay Elementary parents during Texas Public School Week and even sent a copy to my mother in Indiana.

The Rotary members at my table were very kind and made me feel very welcome. I also enjoyed hearing other principals talk about their work day.

Thank you again and your fellow Space Center Rotary membership for all that your club does to make the public aware of the excellent schools and teachers in our district.

Sincerely,

Members:

The Bay Area Meals on Wheels organization wishes to thank you for the recent generous and welcome donation. We rely wholly on volunteers and money from the local community to maintain our meal delivery service to homebound people living in our area. We do not seek or receive funds from any level of government. We recognize that numerous organizations seek funds to provide various services to less fortunate citizens, and we appreciate having been selected to receive this contribution.

The Rotary Club of Space Center was our first substantial contributor and we have benefited from your timely and generous gifts through our sixteen-year history. We assure you that we will maintain a program that will continue to merit your confidence and support.

Yours very truly,

Ann Lambert, President

Dear President Donnie,

You are so nice. You make me feel so good. I have had the privilege of getting a compliment once or twice but never as good as you do.

There is no way I can thank you for all you are doing for our club. But what you do for me means more than I know how to express.

All I know to say is "I thank you" and know that ~~you~~ it comes from the bottom of my heart.

always Love,

Dear Donnie:

I just wanted to take a moment to thank you for the lovely afghan you gave me. I'm certain it will come in handy on a cold Texas night.

I am glad to see how well your Rotary has done. I know it is due mainly to your own hard work and enthusiasm.

See you in Orlando.
