Dear Donnie P:

Receive our best wishes for a successful second half of your Presidential year and a great year 1998 for you, your family, your Board and fellow rotarians.

Venezuela, our country is in the course of development, where the rotarians play a great role. Its warm people and the beauty of its caribbean nature offers a relaxing or adventure atmosphere, it all depends on you.

We invite you and your fellow rotarians to join a large group of americans and canadians to participate in our two-days FIRST PROJECTS FAIR of Districts 4370 and 4380 (Venezuela, Aruba, Bonaire and Curacao) on April 3-5,1998, under the Program UNIENDO AMERICA, which is a networking Conference to facilitate rotarians from all the Americas to do more effective projects together. The target is to get our Clubs involved in the International Service throu mediuon to small projects. The Conference is combined with a one to two weeks tourism tours to four to six different locations of your choice, if you decide so. At your request we can send information about type of projects and tourism tours. You can also have a guided tour of the oil industry.

A great number of local rotarians have attended school or worked in USA. We have no real language barriers and we can make your stay safe and comfortable. Attached you will find a brochure about Venezuela, a brief description of the Conference and a Registration form, with instructions how to proceed.

Best regards

Dear Donnie:

I would like to let you know how much it meant to me to be presented the Paul Harris Fellowship Award. Not only was it a great thrill to be presented this award but the fact that it was from such a special group of friends made it even better.

The past few weeks have been full of emotion, with the excitement of being appointed Port Commissioner and the sadness of leaving my present position as Justice of the Peace. This award added yet another special moment to a time of my life that I will always remember.

Space City Rotary will always have a special place in my heart. Thanks once again!

Sincerely,

Steve Phelps

Dear Donnie,

Thank you so much for your gracious hospitality at the Rotary meeting. We certainly did not expect so much.

We had a great time, it was wonderful seeing some of our friends and enjoying the fellowship of all. We do think of you often and would love to have you visit us whenever you can.

When we left Houston, we went to Mansfield to spend Thanksgiving with daughter and her family. The grandchildren were home from college so you can imagine all the excitement. We left there on Friday and our quiet home really felt good. Guess we are getting a little old for all of the wild young life.

The Club seems to be going strong and you are doing a great job. We are both proud of you.

Thanks again for the gifts and your kindness. Take care of yourself and Merry Christmas to you and yours.

Anne + Bill
