

Dear Donnie,

July 14, 1998

It was so thoughtful of you to remember me in your appreciations of those who have contributed their services to Rotary the past year. When I use the scarf ring and book mark I shall remember you and your dedication to Rotary. I hope you enjoyed your year as President of the Space Center Rotary Club as much as I did of Space Center Women of Rotary.

Do keep in touch in warmest regards.

Dear Donnie,

Thank you so very much for your kind words and especially the afghan. It is even more special because it was your last one. We have it in our den and it will always remind us of a very special trip to the Space Center and our visit with you.

I know you had an outstanding year and your Club is even better for it. Steve is indeed a great leader but it takes people like you to make things happen. Congratulations in leading your Club in being the "Club of the Year". Now others know that Rotary does care.

Thank you again for the afghan and be assured we do appreciate it very much. Ina Beth joins me in sending you our very best now and in the future.

Yours very truly,

A large, stylized handwritten signature in black ink that reads "Jack".
