Donnie,

Thanks for ALL your help!

I'd be VERY grateful if you could call the presidents of League City Rotary and Seabrook Rotary to tell them the following:

- you're a Red Cross Advisory Board member/ I'm Space Center Rotarian
- we're starting our fund-raising campaign
- 60% funding from United Way, 40% funding we must raise independently
- we need their support through a donation
- Space Center Rotary donated \$1500., & Friendswood Rotary donated \$500.
- I'll be calling them for a date to schedule a 20 min. presentation about El Nino, and Red Cross services, or just a 10 min. talk re: Red Cross services.

Is Harrisburg Rotary Club in our area?

You are a DEAR!

Dear Kyle:

It was a real treat for me to be able to work with you in regards to the visit of our Japanese friends. Their visit to NASA and that area were enhanced by the efforts you made on their behalf.

It would not have happened without you! Thanks a bunch and on behalf of the visitors and the committee you are to be commended for your enthusiasm and participation.

Hope we can do it again sometime.

I owe you one!

It's great Rotarians like you that make me proud to be one of ya!

Dear Rotary Club members:

Thank you for sharing some of the books collected for your used book drive with the intermediate schools in Clear Creek ISD. I was pleasantly surprised when I received some of these books at League City Intermediate School recently. The books are in excellent condition, and I know they will be enjoyed by our students and staff members.

Again, thank you for your donation.

Sincerely,

Dear Ms. Johnson,

I want to thank you for helping to sponsor the Rotary luncheon last week. All of the principals in the Clear Creek Independent School District appreciate your support of education in the area.

The two pages dedicated to public education with the full color photograph of our district principals was wonderful. I displayed it for the Bay Elementary parents during Texas Public School Week and even sent a copy to my mother in Indiana.

The Rotary members at my table were very kind and made me feel very welcome. I also enjoyed hearing other principals talk about their work day.

Thank you again and your fellow Space Center Rotary membership for all that your club does to make the public aware of the excellent schools and teachers in our district.

Sincerely,

Members:

The Bay Area Meals on Wheels organization wishes to thank you for the recent generous and welcome donation. We rely wholly on volunteers and money from the local community to maintain our meal delivery service to homebound people living in our area. We do not seek or receive funds from any level of government. We recognize that numerous organizations seek funds to provide various services to less fortunate citizens, and we appreciate having been selected to receive this contribution.

The Rotary Club of Space Center was our first substantial contributor and we have benefited from your timely and generous gifts through our sixteen-year history. We assure you that we will maintain a program that will continue to merit your confidence and support.

Yours very truly,

Ann Lambert, President
Board of Directors

Dear President Donnie,

You are so nice. You make me feel so good. I have had the privilege of getting a compliment one or twice but never as good as you do.

There is no way I can thank you for all you are doing for our Club. But what you do for me means more than I know how to express.

All I know to say is "A thank you" and know that ~~you~~ it comes from the bottom of my heart.

always Love,
Floyd
