

Vocational Service

Director: James Saxe

Career Development Committee

Chairperson: Marilyn Musial

In December this committee supported the Clear View Interact Club Christmas Party as it has for the past several years. There are currently seven students who are pursuing the requirements for VTP. This program requires a 3.0 GPA, less than five absences per semester, a minimum of ten hours of volunteer service per semester, and career testing and exposure. These students may obtain vocational scholarship funds to pursue their career interests.

Excellence in Education Committee

Co-chairs: Ava Lunsford & Jim Saxe

The co-chairs and their committee members received 46 nominations for The Excellence in Education award. This committee selected 21 teachers who will continue into the second stage by returning application forms and obtaining letters of recommendation from their principals. Five teachers will be given Excellence in Education Awards with one teacher being selected as Teacher of the Year from an interview meeting on April 18.

Excellence in Law Enforcement Committee

Chairperson: Bill Fairies

The five Law Enforcement Distinguished Service Award winners have been selected for their \$300 cash award. Saturday, March 7th, the committee will conduct an interview session to determine the Space Center Rotary Officer of the Year, which will be awarded at our meeting on April 6th.
