

Space Center Rotary  
1999 Fall Trek to  
Tapatio Springs

Pack your bags, golf clubs, and credit cards! Its time for a little R&R. The following volunteers are to appear in Boerne, Texas by Friday evening, October 22, 1999:

Bourgeois, Jerry & Agnes  
Dusenbury, Bill & Joni  
Geissler, Bill & Joan  
Howe, Suzi & Bill

Lowes, Bill & Sharon  
Saxe, Jim & Carol  
Taylor, Bill & Susan

Briefly, we plan on trashing the Geissler's room upon arrival until everyone gets there. El Presidente is bringing his snake bite medicine along with a microwave. (This man travels with everything!) Lowes is bringing a couple of snakes. Please bring your own hooch and an appetizer for the afternoon/evening social and briefing. For those still hungry, we have dinner reservations just down the road at Po-Po's for 8:00pm (I know what your thinking... don't let the name scare you.)

On Saturday morning, golfers have an 8:00 am shotgun start. The rest of the crew can play all day.

Dinner reservations Saturday night are at 7:30 pm at the Blue Heron Dinning Room

The rest of the weekend is a work in progress. We will further research the night life once we get up there. If anyone knows about something interesting between San Antonio and Kerrville, lets consider it.

Everyone have a safe journey and would someone please show Saxe where the exit for the Beltway is?

See you there!
