AS THE BAY AREA struggled to get back to a normal way of life, Space Center Rotary helped with its big Shrimporee over at Clear Lake Park.

It not only draws hundreds of families for a carefree afternoon of fun, it raises thousands of dollars for Bay Area charities.

This year, the Shrimporee honored Harris County Commissioner **Jim Fonteno**.

Early on Shrimporee Chairman **Earl Mauldin** presented the commissioner with a plaque to mark the occasion.

While children romped about, hundreds of families munched on shrimp and fish and followed the antics of Port Commissioner **Steve Phelps** and Judge **Louie Ditta** as they auctioned off a huge collection of items donated by Bay Area businessmen.

Behind the scenes Rotarians such as **Bill Dusenbury**, **Mike Duckworth**, **Bill Lowes**, **Frank Haider**, **Bill Taylor** and **Chuck Sawin** fried fish, steamed corn on the cob, boiled shrimp and potatoes and did the hundred and one things it takes to keep
