32nd annual Shrimporee coming up on Sept. 24

Space Center Rotary Club will host its 32nd Annual Shrimporee and Benefit Auction Saturday, Sept. 24, at the Captain Landolt Pavilion in the Clear Lake Park.

Shrimporee Chairman Scott Smith took time out from planning the event Monday to invited the Bay Area community to bring their families and join in the fun from 11 a.m. to 4 p.m. as they have done so many times over the years.

"There will be good food, exciting children's activities, and great live and silent auction items," Smith promised.

This year's proceeds will go towards construction of the new North Galveston County YMCA, as well as to the Bay Area Restoration Project, which

involves Rotarians helping repair the homes of seniors and disadvantaged people in the Bay Area.

Space Center Rotary has supported many local charitable organizations in the past 30 years, including Armand Bayou Nature Center, Bay Area Turning Point, Bay Area Meals on Wheels, Harris County Freeman Library, Clear Lake Emergency Medical Corps, Second Chance Pets, Clear Creek Education Foundation, Three Wishes for Children and others.

The Rotary club is comprised of approximately 130 business men and women who meet weekly at the Nassau Bay Holiday Inn to promote fellowship and service of the community above self.

Besides donating to local

charities, the club recognizes excellence in local educators and law enforcement officers through annual public recognition and monetary awards.

An exchange program for high school students fosters international goodwill of immense value to all the participants, and a world health program brings needy children from other countries to Houston for much needed operations and special care donated by area physicians and hospitals.

Tickets for the 32nd Annual Shrimporee and Benefit Auction are \$15 for a shrimp/brisket/sausage plate, which includes beans and corn on the cob, and \$1 for hot dogs for the kids. Admission to the festivities is free.

Rescheduled Date: Saturday, Nov. 19
