A decorative border at the bottom of the page consisting of a string of purple, green, and yellow beads, with a small Rotary International logo at the right end.

Tonight's Springoree event is an opportunity for the members of the Space Center Rotary Club to join together and give a well-deserved recognition to all of our supporters and friends. Thanks to all our generous sponsors, active members and supporters from the Clear Lake community, we have been able to generate the necessary resources to continue our club goals of helping a broad group of service projects in the Bay Area and abroad. This year, thanks to your generosity, we have generated over \$95,000 for these projects and programs. So you will have a better idea of where those funds were allocated, let me share with you the local and international programs and activities in which we are involved.

First, let me start with the domestic programs. It is important that you are aware that we try to focus on supporting programs that benefit individuals and groups in the local area that have identifiable needs. We have provided monetary and in-kind support to the following organizations and activities:

- Bay Area Turning Point
- Crossroads at Park Place
- Interfaith Caring Ministries
- Shelter Box
- UHCL Center for Autism and Disabilities Disorders
- Bronze Eagles
- Alzheimer's Association
- CCISD Excellence in Education
- High School Project Graduation
- Clear Lake Area Excellence in Public Service
- Scholarships for Clear Lake Area HS Seniors
- Communities in Schools – Bay Area
- Camp Be An Angel
- Senior Citizen's Valentine's Day
- Rotary Interact Club
- Boy Scouts of America
- E. A. Smith Family Y.M.C.A.
- CCISD Excellence in Education
- EarlyAct FirstKnight
- Meals on Wheels

Next, I want to share the international programs and activities that we have supported with our time and resources. In several cases, our Space Center Rotarians have traveled to foreign countries to assess needs, organize the support efforts, and coordinated the funding of projects. Here is the list:

- Project "Ecochina" in Honduras
- Guerrero Eye Clinic
- Rotary International Foundation
- Engineers Without Borders
- International Youth Exchange
- Rotary Polio Plus Program
- Honduras Water Project

Finally, on behalf of all Space Center Rotary Club members, I want to voice our gratitude and appreciation for your generous support. You have stepped up to our request for resources and given us the opportunity to help others, both in our community and abroad. We hope you enjoy this celebration of your support and have a memorable time this evening.
