

Rotary International President Ron Burton named Space Center Rotarian Alan Wylie to chair the Rotary Year 2013-14 Rotary Youth Exchange Committee. Alan's committee oversaw Youth Exchange activities worldwide. Plus Alan sat on the Rotary New Generations Committee. Nationally, Alan's name was synonymous with Youth Exchange, having chaired the district committee for over 20 years. Two years ago, District 5890 Youth Exchange program was named number 1 in the United States. Alan currently serves as Chairman Emeritus of District 5890 Rotary Youth Exchange Committee. This is a huge honor for Alan and for District 5890. Alan was previously named District 5890 Rotarian of the Year.
