July 2014

Rotary Club of Space Center Officer Installation Meeting

On Monday, June 23, staff from Council Member Martin's office attended the weekly meeting of the Rotary Club of Space Center at the Bay Oaks Country Club in Clear Lake. At the luncheon, the club's 2013-2014 officers turned over their positions to the new officers-elect, who received pins denoting their new offices and were confirmed for installation by the general members of the club in attendance. Speakers included outgoing President Sheryl Berg, who reflected on her time leading the club, and incoming President Scott Rainey, who laid out some of the goals he has for the Rotary Club of Space Center in the coming year. Mr. Rainey additionally shared lessons he and other members of the club learned at the Rotary International Convention in Sydney, Australia which they attended from June 1 - June 4 of this year. Council Member Martin congratulates Mr. Rainey and all of the recently installed officers on their new leadership positions, and commends the Rotary Club of Space Center for continuing to provide invaluable community service to the Clear Lake area.
