Dear Sheryl,

Many thanks for taking such good care of us when visiting Your club 12 May!

Please give my special regards to Teri for helping us out when carrying only credit card and no cash.

Our flight home was dreadful with 18 hours delay due to rainstorm in Dallas, but finally we got back home. We brought home a lot of fine memories as well as a 50lb case with well over \$1000 worth of purchases. Shopping is real good in Texas. It seems, we also brought the warm weather with us. Today, we have a real nice summer day with 74 degrees.

Enclosed You find our ensign. (hopefully the correct word according to Google).

You also find a paper about our Lake District and available summer activities. Most of it is in Swedish, but it can at least give you some ideas of what it's like in our area.

Please pass our thanks and blessings to all members!

Best Regards/Med Vänlig Hälsning

Henric & Anneli Götvall
