SERVICE ABOVE SELF

WHO IS SPACE CENTER ROTARY?

A series of several thin, white, parallel diagonal lines that originate from the bottom right and extend towards the top right corner of the slide, set against a blue gradient background.

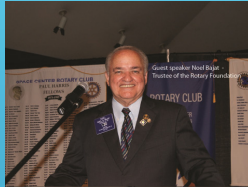

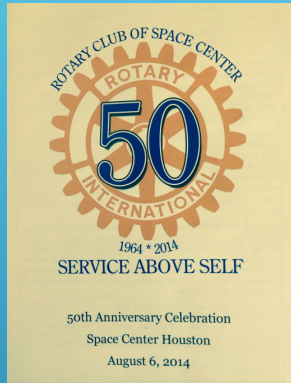

WHO IS SPACE CENTER ROTARY?

WE ARE

50!

WE HAD A FANTASTIC 50TH ANNIVERSARY CELEBRATION!!

The Rotary Club of Space Center's 50th Houston Friday evening, Aug. 6, was a very special event with a huge turnout of Rotary Club members, their guests, and local and state elected officials. The theme was "Celebration of 50 Years - 50 Random Acts of Kindness." Space Center Rotary President Scott Ramsey welcomed the guests, giving a great speech about the Rotary Club's motto, Service Above Self, and the numerous charitable Space Center Rotary activities, and then suggesting to the audience to "Go and Do Likewise."

An interesting part of the program was the 50th Anniversary Video that played on two screens. It was a slide show of photos from 1964-65 to 2014, and it was so interesting. I really enjoyed watching the video and seeing so many photos of my Rotary friends.

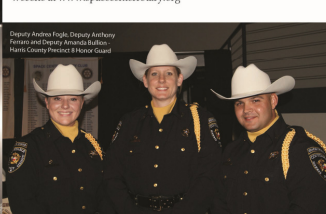

The guest speaker was Noel Bager, a Rotary Foundation trustee. He was an excellent speaker and really entertained the guests. Ralph Kramer, Space Center Rotary treasurer and 50th Anniversary co-chairman with Marilyn Musial was honored with a Paul Harris Fellowship. The Presentation of Colors was by the Harris County Precinct 8 Honor Guard.

An interesting part of the evening was that the Space Center Rotary Club inducted a new member to the Space Center Rotary Club, Steve Kirk, son of the late Don Kirk, who served as president of the club in 1975-76. Rotary District Governor Lisa Faith Massey performed the induction.

Every guest received a glass engraved with 50th Anniversary Space Center Rotary 1964 - 2014. The glass is special to me because I was a member of the Space Center Rotary's Club for many years. It is a great club and I have a lot of wonderful memories of the members and the Space Center Rotary's Club events.

Mark your calendar now for the Space Center Rotary club's Shrimp and Auction on Saturday, October 25, 2014, at the Clear Lake Park's Landolt Pavilion. There will be both live and silent auctions, great entertainment, and delicious shrimp and barbeque.

For more information about the Space Center Rotary Club, visit their website at www.spacecenterrotary.org.

WHAT ARE WE GOING TO DO THIS YEAR?

Several thin, white, parallel diagonal lines are drawn across the right side of the slide, extending from the top right towards the bottom left.
