

Dear Jerrold DeWease,

Please see the below press release about our Interact club at Clear Lake High School. I can not begin to tell you what a wonderful job Kim Scofield and Michael Porterfield are doing with our Interact clubs. Read this and join me in being so proud of the work these students have accomplished. It has been a pleasure to see the work side by side with our club and also take initiative to do projects on their own.

Also, when you see Kim, bow down and thank her for the many hours she has spent to help this club achieve greatness. They have truly Gone and Done Likewise!!!

Peace and Happy Easter to all.

Scott
