Scott, I'd like to nominate the Christian Outreach Alliance (COA) for a Random Acts of Kindness award.

COA is a cooperative project of five Clear Lake churches (Clear Lake Baptist, CL Methodist, CL Presbyterian, CL Church of Christ and Gateway Community Church) which organizes activities for children and their families in the neighborhood around Clear Lake Methodist and Whitcomb Elementary. Their target population is families living in the apartments there, who are overwhelmingly low income and minority.

Some of the activities that have been provided include:

- Summer sports camp at Clear Lake Rec Center.
- Girl Scout troop.
- Play school for kids up to age 4. Kids have songs, stories and crafts, moms have parenting and English classes and fellowship.
- Sewing and knitting classes for moms.
- Bible study
- Distribution of school supplies at the start of the school year.
- Distribution of turkeys at Thanksgiving and Christmas

Please ask the committee to consider this nomination.

Thanks,  
Don
