

Scott:

I propose the \$1000 Space Center Rotary "50 Acts of Kindness" to support 5 HS age youth with a scholarship to attend the Christmas United Methodist Action Reach-Out Mission by Youth (UM ARMY) Camp. The youth attend Mission Milby an independent community outreach organization that works in very close partnership with Servants of Christ, a United Methodist Parish at Park Place & 45.

Cost for a youth to attend camp is \$250. The \$1000 will provide scholarships for 5 youth -- \$200 as a scholarship, the youth will be required to raise the remaining \$50. UM ARMY is a one week youth mission trip serving people in need by repairing their home -- rebuilding steps, building wheel chair ramps, painting, siding, etc.

This is "two for" -- helping youth, in a deprived area, go on a mission trip to help the people in need.

Dick Meyer

Scott: There is a change to use of the \$1000 and I want to make sure you and the club agrees. Three Scholarships to Mission Milby, 2 teens, 1 Adult. I propose that the remaining \$400 is given to UM Army, David Saborn, for Christmas Camp Scholarships.
