

Please vote Yes or No by Monday 12/15

Thanks.

Scott

Tim Hagan is 57 years of age.

Formerly a client of Crossroads Homeless Ministry, then a volunteer working at Crossroads. (Close association with Mission Milby)

Tim is an hourly construction work with no benefits.

Tim has been Two weeks + in Clear Lake Regional -- Hospitalized after an unexpected/unintended/faulty side air bag detonation. Injuries include, spline (removed), 3 broken ribs, punctured lung.

He has undergone 2 surgeries due to the injuries.

Over the past few years Tim has been rebuilding his life and getting off the street. Not only has Tim found employment, he has been an active participant in UN ARMY, attending Summer camps, Christmas Camps and Weekend Slam Camps. Tim has turned from someone needing support to someone who provides support.

I recommend awarding Tim with Random Act of Kindness check to show Tim the community is behind him and Rotary appreciates his work ethic and wishes him well as he recovers from an accident.
