Subject: Re: Thank You

Hi Miss Gramm

And to all members of the rotary club my kids and i really thank you all from the bottom of our hearts. For your generous check you gave to us in support to our financial needs. It was kind of you all thinking about us in this journey of trails. I deposited it into my account to be used on my school text books and our furniture for our new house.

Again we thank you and your organization for the humanitarian gift you gave us remain blessed in Jesus name.

Yours Sincerely Shanna, Chika & Uche's
