To Whom it may concern,

Polly Zuniga is a lady at our church who has 6 children, in which one has a very serious heart condition. Her daughter, Valerie, is 10 years old and is currently on a waiting list for a heart transplant. Valerie has been in and out of the hospital many times with complications, however, the only real solution is a heart transplant. In spite of the obvious challenges, Polly still finds time to volunteer in the children's ministry at our church and attend a church midweek life group. She is an amazing person, who tries hard to be a good mom and meet all of her kids' needs, but financially they are challenged and the medical expenses put a considerable strain on the family. One time, during one of our small group activities about money, we asked the kids what they would do if they won the lottery and Valerie said "Buy food for her family". Valerie said that her favorite meal was "Chicken Roman Noodles". Her small group leader was so touched and burden that she talked to our children's ministry leaders and they chose to respond. For Christmas, we chose to bless them with grocery gift cards to lift their burden over the holidays. Polly and her family are extremely grateful and wise with anything that they receive. Thank you for your time and consideration.

For the Family,
