Thank you for your recent donation. Your willingness to help at risks students in the Dickinson Community makes all the difference in the lives of students, such as the ones at Dunbar Middle School. As you all may know, many of the students we provide services for come from low income families. For some of them; school clothes and supplies are a luxury that they cannot afford. Thanks to your generosity, I will have the funds to provide them with items such as extra school supplies (as needed), I will be able to keep my clothes closet stacked with clothes so that they can focus on their academics and reach for success. Your donation will also allow me to provide assistance to students who do not have lunch money on their accounts as well as assist families who are in need of support in purchasing medical prescriptions for their children. I will also be able to restock the CIS snack pack closet which has become very beneficial to the students on my campus. I will also be able to do a little something for the teachers and staff from time to time without having to take from my own pocket or continuously having to ask for donations from the public.

The openhandedness you all have displayed, has truly inspired and motivated me to work harder to provide a safe and supportive environment for my students. Your contribution is invaluable. Saying the words "thank you" doesn't seem like enough, but through my actions the success of my students you all will see the true outcome of your kindness.

Once again "THANK YOU" so very much!!
