

I think we can make this happen also with the remainder of the Pres. Disc. and the left over from Excellence in Public Service. Let's vote and have as contingent pending confirmation of funds available and okay from board to shift funding.

Please vote Yes or No by end of day tomorrow, Fri. 6/12.

Thanks.

Subj: Random Act of Kindness

Scott,

If no one else suggests another random act of kindness, we can ask Madella Williams to nominate one of her members: Arlana Parrill. Arlana has MS and she has serious panic attacks. She had been living with her mother in Colorado. When her mother died, Arlana came to Texas and would be homeless except for her uncle, Bill Cloyd. Bill had a bad stroke a month ago and his wife has had to move there belongings to a place that is wheelchair friendly so Bill can come home from the hospital. Bill can't use his arms or legs anymore and is doing rehab trying to recover. Arlana hasn't been able to make enough money to pay Bill and his wife Vicky to live with them. Arlana is a single adult.

Her uncle Bill Cloyd was the gentleman that played the piano at the nursing home when we gave a random act of kindness to Richard Smith. He is a retired METRO engineer and spent a lot of time playing the piano for various nursing homes in the area. He also volunteered a lot of time at the church where Madella pastors, singing in the choir, playing the piano for a church combo, leading the Men's group, serving as trustee, serving on the pastor search committee, and heading up the wounded warrior breakfast. This would not be about Bill Cloyd but without him, I don't know what would happen to Arlana.

I want us to get our full 50 this month. Please let Madella know if we need to nominate Arlana. Madella may have more facts about this than I do.
