Scott,

The information on the individual we discussed is as follows:

Charles Henry Nichols
15003 Diana Lane
Houston TX 77062
DOB 3-9-45
Wife - Jacqueline
Phone 281-486-0015

Mr. Nicholas is a Marine Vietnam Veteran. Served 18 months in battlefield conditions and has 6 years of service. He suffered a stroke on July 5, 2012 and is now disabled and wheelchair bound.

Rafael Calvillo (281-924-3431) owner of RC Home Services has been modifying the home to accommodate for the wheel chair at less than cost. There is a lot of work to be done and the V.A. has been of little assistance.

If you have any questions, Rafael knows the situation better than I do.
