

Thank  
You!

The headphones  
help me hear and  
no one won't else.

The mouse  
helps me  
scroll.

The keyboard  
helps me type  
and see what  
I am typing.

Dear Space Center Rotary Club,  
Thank you so much for  
all the stuff that you  
got us. We are so thankful  
for that. You are all so  
kind for doing that.

Sincerely,  
Morgan Richardson
