

Rotary National Award for Space Achievement (RNASA) Foundation announced a total donation of \$29,466 to various programs during their annual RNASA Volunteer Appreciation Dinner held at Cullen's Upscale Grille August 21, 2014.

Rotary National Award for Space Achievement Foundation President Rodolfo González said, “The RNASA Foundation is very grateful to our generous corporate sponsors who accomplish so much in our nation’s space programs. It is very fitting that the proceeds yielded from the 2014 Space Gala be invested in programs that inspire our future engineers and leaders”.
