

Space Center Rotary Exchange Students

Introducing Sirida Sombatto (Jen) from Thailand. Jen turned 16 years old shortly after arriving in the US and is a Junior at Clear Lake High School. Jen enjoys watching movies, hanging out with her friends, American music and loves playing basketball. Jen hopes to see snow during her stay in the US...hopefully we can make this happen for her, not much snow in Thailand. Although she is not a fan of spicy food, she is willing to try anything, and is especially interested in crawfish. Jen is a hard studying student and is thrilled to be in Texas for the year.

Introducing Leonardo Briones from Ecuador. Leonardo is 17 years old and is a junior at Clear Lake High School. Leonardo enjoys listening to music – salsa and meringue especially – and lifting weights. He is a member of the Clear Lake HS JV Tennis team and a member of Interact Club. He is enjoying studying his favorite subject Physias and is anxious to make his first MUM as part of the Clear Lake HS homecoming celebration! Leonardo loves to eat ceviche and will be making some for his rotary family so stay tuned for that. **Welcome Leonardo!!**
