

Hello Great Chiefs of the Shrimporee!

Attached is a suggested list of quality basket themes for you to use with your tribes for the Shrimporee silent auction. Each tribe is responsible for submitting a basket for the silent auction with a minimum value of \$250. You can either submit one basket totaling \$250 or you can submit two baskets at \$175 value each. Please contact me if you have any questions.

Responsibilities:

- Your tribe is responsible for collecting and submitting all items for your basket – including the container for the items. The decorating/wrapping of the baskets will be done at a later time by my excellent decorating team.
- Please limit the amount of alcohol in each basket – and only include alcohol if it is part of your theme.
- The Chief of each tribe (or the silent auction brave) will need to drop off the items for your basket once ALL items have been collected.
- Please provide a list of all items included in your basket.
- Please estimate the value of your auction item(s) before turning it in to me so we can list it on the bid sheet.

Timelines:

- Please submit to me the theme of your basket or baskets no later than Monday, September 20th.
- ALL items/baskets must be delivered to me no later than Monday, October 4th.
