

Clay was a prince of a man and I thought the world of him. He was always so kind, gentle and thoughtful of everyone, Rotary has a great loss with Clay being gone.

Donnie Johnson

Long time Space Center Rotarian, Admiral, Dr. Clay Fulcher, passed away in Temple, Texas on Wednesday October 19th at the age of 78. Clay's wife, Ann, played the piano at our meetings for many years. She was awarded two Floyd Boze Fellowships. Clay had a long and distinguished career in the Navy and with the Aerospace industry.
