October 1, 2009

Dear School Board Member,

The Space Center Rotary Club wishes to invite you to attend the 36th Annual Shrimporee and Benefit Auction on October 17th at the Landolt Pavilion in Clear Lake Park on NASA Road 1. This yearly event provides a time of excellent food, great fun, auction opportunities, and contributes significantly to our Rotary Club's ability to serve the Clear Lake area in many ways. The funds raised support our Rotary activities of Excellence in Education and Public Service; our youth programs of Youth Exchange, Interact, and Rotex; Drug Awareness; and other important charitable activities. Our special recipients for funding support this year will be:

Shriners' Children's Hospital – Providing Play Equipment
Armand Bayou Nature Center - Providing Handicapped Accessible Trails

The activities begin at 11:00 AM and continue until 4:00 PM.

Please come and check in with the VIP registration desk to allow us to announce your presence and to provide you with 2 complimentary tickets for the meals.

Sincerely,
Space Center Rotary
