

# ROTARY CLUB OF SPACE CENTER

"Service Above Self"

Dear Friend of Rotary:

Our Space Center Rotary Club seeks your support for our 38<sup>th</sup> annual Shrimporee Festival and Auction on Saturday, October 15, 2011. The theme of this year's Shrimporee is **"SERVICE ABOVE SELF"**.

The Space Center Rotary Club is Clear Lake's member of Rotary International. Rotary is a service organization with worldwide membership. Our club's motto is **"SERVICE ABOVE SELF"** and this year's Rotary International theme is **"REACH WITHIN TO EMBRACE HUMANITY"**. Each club raises funds to provide the needed support for its projects. These funds are used to meet the needs of communities local and abroad. We also conduct recognition events for those in our community - fire, police, EMS, teachers - who devote their lives for the betterment of our area.

The Space Center Rotary Club's major fundraiser each year is our Shrimporee. This event provides the lifeblood of funds for our projects. This fun-filled event includes music, activities for the whole family, a shrimp and barbeque brisket lunch, a variety of other foods and beverages, and exciting live and silent auctions. The following lists indicate the many current and on-going projects and organizations that Space Center Rotary Club is able to assist through your generous support of this event. Support of young people is a high priority for us. We sponsor youth-support programs in the local schools. We host exchange students from around the world. We support international health and immunization programs. These programs are focused on development of character in today's youth.

### Vocational Service –

- Rotary Youth Leadership Awards (RYLA)
