Subject: Rotary Shrimporee sno

Hi Kristen,

Thanks for meeting today to discuss your providing shaved ice during the October 20 Shrimporee to be held at the Landolt Pavilion in Clear Lake Park. from 11 am to 4 pm.

You will provide a small cup of shaved ice which will sell for \$3.00 of which the Club will receive \$1.00. Also you will not need any power supply and will furnish your owe.

Most of the sells with be dollar tickets which we will sell. However some of the sales may be currency. The close out plan is to determine the total amount of sales and divide by 3 which gives the number of sales. We will collect all the dollar tickets and the cash and give you a check for the number of sales minus \$1.00 per sale which is our share.

If you agree with this contract please respond accordingly or please comment.
