

Dear Space Center Rotary,  
Thank you so much  
for making the Paul Harris/  
Floyd Boze dinner such a  
nice celebration. It was  
evident a lot of time +  
extraordinary effort went into  
making it a special evening.  
How wonderful it was to have  
all the past + present district  
governors there too.

Rotary has always been  
a huge part of my father's  
life. Everyone at the club  
makes him feel so  
welcome + special.

Scott, you made a fabulous  
Master of Ceremonies. Art, you +  
your team coordinated everything  
beautifully. Pam, the pictures  
are great.

Our family appreciates the  
way Space Center Rotary makes  
Dad's life worth living.
