

Providing services to promote the health,  
hygiene, and dignity of homeless  
persons in Southeast Houston.

October 22, 2011  
Dear Mike and Members of Rotary Club of Space Center,

How can the clients of Crossroads and volunteers  
thank each member of the Rotary enough for the  
glorious check you presented to us at the Shrimpover.  
Every penny will go directly to aiding the clients.

Thank you, too, for your continued donations  
of clothing, shoes, bedding, and hygiene.

Because of what you give, we can give to  
those who have so many basic needs. May  
each of you be showered with daily blessings.

Sincerely,  
Margo Montgomery  
Volunteer Site Director  
of Crossroads
