

ROTARY CLUB OF SPACE CENTER

BOARD OF DIRECTOR'S MEETING

AUGUST 9, 1972

ATTENDEES:

Frank Morgan
Fred Joy
Gene Lindquist
Rex Bailey

Bob Scott
Saul Feldman
Al Ligrani
Bill Petynia

MINUTES:

Gene Lindquist volunteered to assist Dixie Thomas in locating the Club's three Certificate's of Deposit.

Fred Joy reported that Dave Rose is working on the roster and will be at the next Board meeting to give a progress report.

Frank Morgan read the District Governor's letter on holidays which gives a Club the prerogative of cancelling a meeting on a holiday.

Frank Morgan reminded the Board that the President of Rotary International will be at the Downtown Club on 17 August.

Bill Petynia reported that there will be three parties this year. The Fellowship Committee has assigned one member each month to see that guests are greeted.

Fred Joy presented a suggestion for an information sheet, to be fastened to the Club banner. Prices are being checked on before ordering banners again.

Saul Feldman reported on Interact status. Both 1971 and 1972 were inactive. To find out if the students were interested. the committee had a meeting with five students and now feel that at Clear Creek fraternity clubs are not in. The students felt that there are now clubs to answer all their needs. The committee recommends that the Youth and Interact committees combine and promote more of the Youth Forum type of programs. This would mean abandoning Interact. The Board felt that the new high school should be concentrated on. The youth committee is to check Rotary Clubs in our area to see what their experience is.
