MINUTES:

Frank Morgan stressed the need for all committee chairman to involve their complete committee.

Jack Bridwell reported that they are continuing on the study of a student loan fund. Jack to make report what their findings are at the 1/10/73 Board Meeting.

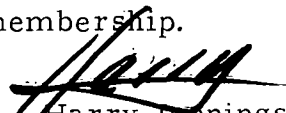

Youth Committee. Dick Clark reported that they are working with the school and students to find where we can be the best support.

Activities with boys home, Pony League, etc. are continuing as in previous years. Ben Taylor moved that the group will support the youth committee in their endeavor to establish a youth forum. A student's organization which would have discussion groups and speakers on subjects of interest to the students. Subjects and speakers to be selected by the students seconded by Fred Joy and unanimously passed.

Membership Development. Charlie Whynot reported that the Committee will be coming out with a new mailing shortly and asked for suggestions on increasing membership.

World Community Service. Al Brady reported that the shipment of audio visual equipment to Chile is awaiting Chilean approval to export without duty.

Leroy Rowe, Classification Funeral Director, sponsored by Gene Lindquist, was approved for membership.
