

To: Jerrold DeWease, Rotary Club of Space Center

We had an idea come up after we lost a quorum at the board meeting this morning. So I'm sending this out for your electronic vote.

Proposal: To make Alexandria (Alie) Sutherland, our Ambassadorial Scholar, an Honorary Member

Reason: This way we can enter her into Club Runner and she can have access to club information and most importantly she will be able to post up dates on the web site via this access.

John Branch made the motion

Ralph Kramer seconded the motion

Please vote by replying to this email before Noon tomorrow, Wed. 8/20.

Thanks so much.

Scott Rainey
