HAPPINESS IS ROTARY PICNIC...!!!

A Halcyon Day provided the setting for fun and frolic June 5, at the Clear Lake Country Club. Rotarians, Rotary Anns, children, and guests savored Texas barbecue and languished in the setting sun. Han Pappidge (Hoffbrau Garden) and the Heidleberg 4 (above) provided entertainment.

Over \$400 in prizes went to lucky winners. Champagne, carving knives, radios, etc.

GRAND PRIZE was Martin Gracey, who can be seen walking Pat Graham's poodle at sunrise this week.

Door Prize went to Mary Mayer, A BEDROOM DOOR; and Andy Allen took the Duncan Hines Happy Diner's Award.

Most Fashionably Attired country gentleman was Red Harrison in his playboy loungers. Judge with the most honest face was Dick Chandler.

Golf low scorers, Tom Short, Marion Gracey, Pat Graham. Longest drive, Bailey Chaney.

Orchids to Klate Hole, Master Emcee and Bingo Host.

- \* Dow Dips, Attendance Up ... Space Center Rotary attendance for the month of April was 84.28%. This moves us to 29th place -- only 5% below the district average.
- \* What is Rotary? Rotary is a personal thing. It is an open door, but we must walk through it. It is an opportunity to grow through service to others.
- \* Space Center Rotary extends sympathy to the family of Major Edward Givens, Jr., NASA Astronaut killed June 6 in an automobile accident near the Manned Spacecraft Center. Major Givens was the close friend of many of our members.
