WHAT IS ROTARY???

"Rotary is thoughtfulness of helpfulness to others."

~~"Rotary is an ideal in action"~~

"Rotary is the experience of men in different faiths, different opinions, and different nationalities growing in fellowship, wherever they may be."

To these definitions could be added many others, each different in terminology but similar in concept. But fundamentally, ROTARY is a world fellowship of business and professional men who accept the ideal of service, individually and collectively, as the basis for success and happiness in business and community life.
